Register New Village

Enter Owner's ID: owner's id

Enter Owner's Password: owner's_password

Enter Country Name: country_in_lower_case

Enter State Name: state_in_lower_case

Enter District Name: district_in_lower_case

Enter Block Name: block_in_lower_case

Enter Post Office Name: post_in_lower_case

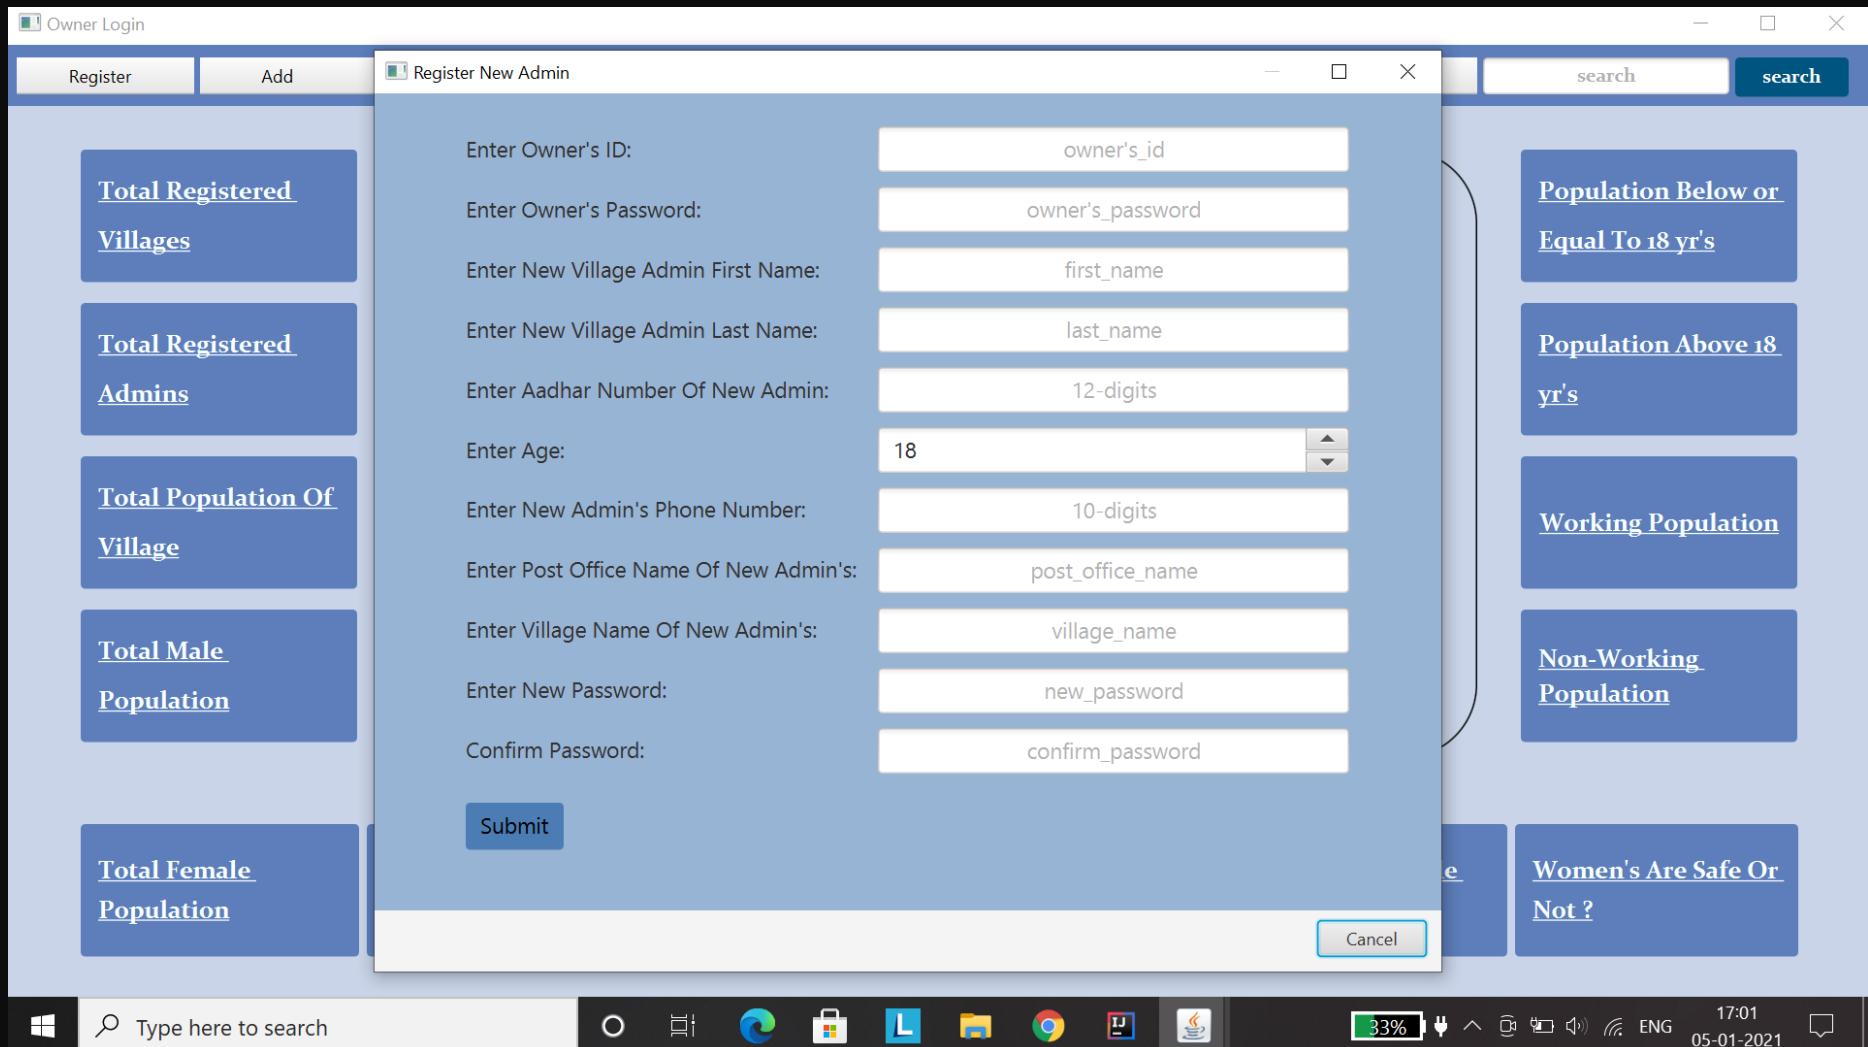

Enter Village Name: village_in_lower_case

Enter Gram Pradhan Name: gram_pradhan_in_lower_case

Enter Pin Code: pin code_in_lower_case

Submit Close

This screenshot shows a Windows desktop interface. A central modal window titled 'Register New Village' is open, containing fields for entering owner's ID, password, and various geographical names. The background features a dashboard with several blue boxes containing population-related statistics like 'Total Registered Villages' and 'Population Below or Equal To 18 yr's'. The taskbar at the bottom includes icons for File Explorer, Microsoft Edge, and Google Chrome, along with system status indicators.

A Register New Admin

This screenshot shows a user interface for managing administrative data. A modal window titled "Register New Admin" is open in the center. It contains fields for entering an owner's ID (111111111111), password, new village name (which is rejected due to existing registration), Aadhar card number, age, phone number (7800359920), post office name (parasiya), village name (bardiha_lala), and new password. The "Rejected" message is displayed in the village name field. The "OK" button is visible in the age field. The "Submit" button is at the bottom left of the modal, and a "Cancel" button is at the bottom right. The background shows various summary statistics and navigation buttons like "Register", "Add", and "Rem". The taskbar at the bottom includes icons for File, Microsoft Edge, Lync, Mail, and Google Chrome, along with system status indicators.
